This Notice of Pendency and Proposed Settlement of Class Action ("Notice") has been sent to you pursuant to Rule 23 of the Federal Rules of Civil Procedure and an Order of the United States District Court for the Southern District of New York (the "Court"). The purpose of this Notice is to inform you of the pendency of this class action (the "Action") between Lead Plaintiff Crypto Assets Opportunity Fund and Defendants Block.one, Brendan Blumer, Daniel Larimer, Ian Grigg, and Brock Pierce ("Defendants") and **the proposed \$22,000,000.00 settlement** reached therein (the "Settlement") and of the hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the Settlement as well as counsel's application for fees and expenses. This Notice describes what steps you may take in relation to the Settlement and this class action.<sup>2</sup>

<sup>1</sup> ERC-20 Tokens are defined throughout this Notice as the tokens that Block.one sold in a token sale that took place from June 26, 2017 to June 1, 2018.

<sup>2</sup> All capitalized terms used in this Notice that are not otherwise defined herein shall have the meanings provided in the Amended Stipulation of Settlement dated March 28, 2023 (the "Settlement Agreement" or "Stipulation"), which is available on the website [www.blockone-settlement.com](http://www.blockone-settlement.com).

Please note, prior to receiving this Notice, you may have received a similar notice regarding settlement of the Action. The prior settlement was denied by the Court, resulting in further negotiations between the parties and the Settlement described herein.

### **SUMMARY OF THIS NOTICE**

**1. Statement of Plaintiff Recovery:** Pursuant to the Settlement described herein, a \$22 million Settlement Fund has been established. Based on Lead Plaintiff's estimate of the number of ERC-20 Tokens and/or EOS Tokens eligible to recover under the Settlement, the average distribution per share under the Plan of Allocation is approximately \$0.081 per EOS Token or ERC-20 token before deduction of any taxes on the income earned on the Settlement Amount, Notice and Administration Costs, and the attorneys' fees and expenses as determined by the Court.

**Class Members should note, however, that these are only estimates.** A Class Member's actual recovery will be a proportion of the Net Settlement Fund determined by that claimant's claims as compared to the total claims of all Class Members who submit acceptable Proofs of Claim. An individual Class Member may receive more or less than this estimated average amount. *See* Plan of Allocation set forth and discussed at pages 10-14 below for more information on the calculation of your claim.

**2. Statement of Potential Outcome of Case: Disagreement on liability and on amount of damages:** The Settling Parties disagree on both liability and damages and do not agree on the amount of damages that would be recoverable even if the Class prevailed on each claim alleged. Defendants have denied and continue to deny that they violated the federal securities laws, or any laws, and maintain that their conduct was at all times proper and in compliance with all applicable laws. **Defendants deny that they are liable to the Class and deny that the Class has suffered any damages. Plaintiff contends that the maximum recoverable damages in this action is \$490.2 million, or \$1.80 per eligible EOS and/or ERC-20 Token.**

The issues on which the parties disagree are many, but include: (1) whether any member of the Class engaged in a domestic transaction covered by federal securities laws, or Defendants engaged in conduct that would give rise to any liability to the Class under the federal securities laws, or any other laws; (2) whether Defendants issued or sold any securities; (3) whether Defendants issued or sold EOS Tokens; (4) whether Defendants have valid defenses to any such claims of liability; (5) the appropriate economic model for determining the amount by which the prices of ERC-20 Tokens and EOS Tokens were allegedly artificially inflated (if at all) during the Class Period; (6) the amount, if any, by which the prices of ERC-20 Tokens and EOS Tokens were allegedly artificially inflated (if at all) during the Class Period; (7) the effect of various market forces on the prices of ERC-20 Tokens and EOS Tokens at various times during the Class Period; (8) the extent to which external factors influenced the prices of ERC-20 Tokens and EOS Tokens at various times during the Class Period; (9) whether the various matters that Lead Plaintiff alleged were materially false or misleading were, in fact, false or misleading; (10) the extent to which the various matters that Lead Plaintiff alleged were materially false or misleading influenced (if at all) the prices of ERC-20 Tokens and EOS Tokens at various times during the Class Period; and (11) the extent to which the various allegedly adverse material facts that Lead Plaintiff alleged were omitted influenced (if at all) the prices of ERC-20 Tokens and EOS Tokens at various times during the Class Period.

**3. Statement of Attorneys' Fees and Expenses Sought:** Since the Action's inception, Lead Counsel has expended considerable time and effort in the prosecution of this Action on a wholly contingent basis and has advanced the expenses of the Action in the expectation that if they were successful in obtaining a recovery for the Class, they would be paid from such recovery. Lead Counsel will apply to the Court for an award of attorneys' fees not to exceed 25% of the Settlement Amount plus interest earned on that amount at the same rate as earned by the Settlement Fund. Lead Counsel will also apply for reimbursement of costs and expenses incurred in prosecuting the Action, and in providing Notice of the Settlement to the Class and administering the Settlement. In addition, Lead Plaintiff may seek payment for its time and expenses incurred in representing the Class in an amount not to exceed \$50,000. If the amounts requested are approved by the Court, the average cost per ERC-20 Token or EOS Token will be approximately \$0.02.

**5. Reasons for the Settlement:** Lead Plaintiff’s principal reason for entering into the Settlement is that it provides substantial benefits to the Class now, without further risk or the delays inherent in continued litigation. The cash benefit under the Settlement must be considered against the significant risk that a smaller recovery – or, indeed, no recovery at all – might be achieved after contested motions, trial, and likely appeals, a process that could last several years into the future. For the Defendants, who have denied and continue to deny all allegations, liability, fault, or wrongdoing whatsoever, the principal reason for entering into the Settlement is to eliminate the uncertainty, risk, costs, and distraction inherent in any litigation, especially in complex cases such as this Action. Defendants have concluded that further conduct of this Action could be protracted, costly, and distracting.

<b>YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT</b>	
<b>SUBMIT A PROOF OF CLAIM FORM</b>	The only way to be eligible to receive a payment from the Settlement. <b>Proof of Claim forms must be postmarked or submitted online on or before August 30, 2023.</b>
<b>EXCLUDE YOURSELF</b>	Get no payment. This is the only option that <i>potentially</i> allows you to ever be part of any other lawsuit against the Defendants about the legal claims being resolved by this Settlement. Should you elect to exclude yourself from the Class you should understand that Defendants will have the right to assert any and all defenses they may have to any claims that you may seek to assert, including, without limitation, the defense that any such claims are untimely under applicable statutes of limitations and statutes of repose. <b>Exclusions must be postmarked on or before August 29, 2023.</b>
<b>OBJECT</b>	Write to the Court about why you do not like the Settlement, the Plan of Allocation, and/or the request for attorneys’ fees and expenses. You will still be a Class Member. <b>Objections must be received by the Court and counsel on or before August 29, 2023. If you submit a written objection, you may (but do not have to) attend the hearing.</b>
<b>GO TO THE HEARING ON SEPTEMBER 19, 2023</b>	Ask to speak in Court about the fairness of the Settlement. <b>Requests to speak must be received by the Court and counsel on or before August 29, 2023.</b>
<b>DO NOTHING</b>	Receive no payment. You will, however, still be a Class Member, which means that you give up your right to ever be part of any other lawsuit against the Defendants about the legal claims being resolved by this Settlement and you will be bound by any judgments or orders entered by the Court in the Action.

## BASIC INFORMATION

### 1. Why did I get this Notice package?

This Notice was sent to you pursuant to an Order of a U.S. District Court because you or someone in your family or an account for which you serve as custodian may have acquired ERC-20 Tokens or EOS Tokens in a Domestic Transaction during the period from June 26, 2017 through and including May 18, 2020 (“Class Period”), including acquisitions of ERC-20 Tokens in Block.one’s (the “Company”) Token Sale, which occurred from June 26, 2017 to June 1, 2018.

This Notice explains the class action lawsuit, the Settlement, Class Members’ legal rights in connection with the Settlement, what benefits are available, who is eligible for them, and how to get them.

The Court in charge of the Action is the United States District Court for the Southern District of New York, and the case is known as *Williams v. Block.one, et al.*, Civil Action No. 1:20-cv-2809-LAK. The case has been assigned to the Honorable Lewis A. Kaplan. The entity representing the Class is Crypto Assets Opportunity Fund (“CAOF”), also called the “Lead Plaintiff,” and the companies and individuals it sued are called the Defendants.

### 2. What is this lawsuit about?

This Action was brought on behalf of all persons and entities who acquired ERC-20 Tokens or EOS Tokens between June 26, 2017 and May 18, 2020, including those persons who acquired ERC-20 Tokens or EOS Tokens in or traceable to Block.one’s June 26, 2017 to June 1, 2018 Token Sale.

The initial complaint was filed on April 3, 2020 in the United States District Court for the Southern District of New York. *Williams, et al. v. Block.one, et al.*, Case No. 1:20-cv-2809. On May 18, 2020, plaintiffs CAOF and Johnny Hong filed a separate complaint against Defendants in the Southern District of New York. *Crypto Assets Opportunity Fund, et al. v. Block.one, et al.*, Case No. 1:20-cv-3829. On August 4, 2020, the Court consolidated the two cases and appointed CAOF as Lead Plaintiff and Grant & Eisenhofer P.A. as lead counsel. On September 18, 2020, Lead Plaintiff filed the First Amended Class Action Complaint (“Complaint”), which alleges that Defendants sold unregistered securities in violation of federal securities laws, issued securities pursuant to a false and misleading prospectus, and disseminated materially false and misleading statements regarding ERC-20 Tokens and/or EOS Tokens during the Class Period.

From the outset of the Action, Defendants have denied all of these allegations and consistently maintained that they never sold securities that were required to be registered, nor made any statement that was false or misleading. Defendants believed at the time, and still believe, that at all times ERC-20 Tokens and EOS Tokens were not securities and therefore not subject to registration requirements under the federal securities laws; that Block.one never issued tokens pursuant to a false or misleading prospectus; that Block.one did not create, sell, or issue EOS Tokens; that Block.one’s public statements were truthful, accurate, and not misleading, and contained no material misstatements or omissions of fact; and that Lead Plaintiff cannot prove any element of its claims.

On November 2, 2020, the Defendants who had been served or waived service to that point in time filed a motion to dismiss the Complaint. Lead Plaintiff filed its opposition on December 2, 2020, and the moving defendants filed their reply on January 11, 2021.

On May 9, 2021, Lead Counsel for Plaintiff and Counsel for Defendants informed the Court that a settlement had been reached. Ultimately, the Court did not approve this settlement because of concerns regarding the adequacy of class representation and the complexities of determining whether a blockchain transaction is foreign or domestic.

On December 28, 2022, after subsequent negotiations, Lead Counsel for Plaintiff and Counsel for Defendants informed the Court that a settlement had been reached for Class Members who acquired ERC-20 Tokens and EOS Tokens in a Domestic Transaction. For settlement purposes only, the term “Domestic Transaction(s)” includes purchases (including over-the-counter and peer-to-peer purchases) (1) of ERC-20 Tokens or EOS Tokens on any of the following exchanges: (i) Coinbase (including Tagomi, Routefire, and Paradex); (ii) Coinbase Pro (including GDAX); (iii) Kraken; (iv) Poloniex; (v) Bittrex; (vi) Binance US; (vii) Genesis; (viii) Cumberland; (ix) FTX.US; (x) Gemini; (xi) Radar Relay; or (xii) CoinFlip; or (2) of ERC-20 Tokens or EOS Tokens where both the purchaser and seller were located in the United States at the time of the purchase; or (3) of ERC-20 Tokens made directly from Block.one during its token sale that took place from June 26, 2017 to June 1, 2018; or (4) of EOS Tokens that were verified by EOS block producers located within the United States based on publicly available information at [https://eosauthority.com/producers\\_rank](https://eosauthority.com/producers_rank) or other comparable websites. For the avoidance of doubt, in agreeing to this settlement, Defendants do not admit that any class member engaged in a domestic transaction for the purposes of the federal securities laws or any other laws and do not waive any rights.

### **3. Why is there a settlement?**

The Court has not decided in favor of Defendants or of Lead Plaintiff. Instead, both sides agreed to the Settlement to avoid the distraction, costs, and risks of further litigation, and Lead Plaintiff agreed to the Settlement in order to ensure that Class Members will receive compensation.

## **WHO IS IN THE SETTLEMENT**

### **4. How do I know if I am a Class Member?**

The Class is comprised of all persons or entities who, at any time during the period of June 26, 2017 through May 18, 2020, inclusive, acquired ERC-20 Tokens or EOS Tokens in a Domestic Transaction and were damaged thereby, including purchases (including over-the-counter and peer-to-peer purchases) (1) of ERC-20 Tokens or EOS Tokens on any of the following exchanges: (i) Coinbase (including Tagomi, Routefire, and Paradex); (ii) Coinbase Pro (including GDAX); (iii) Kraken; (iv) Poloniex; (v) Bittrex; (vi) Binance US; (vii) Genesis; (viii) Cumberland; (ix) FTX.US; (x) Gemini; (xi) Radar Relay; or (xii) CoinFlip; or (2) of ERC-20 Tokens or EOS Tokens where both the purchaser and seller were located in the United States at the time of the purchase; or (3) of ERC-20 Tokens made directly from Block.one during its token sale that took place from June 26, 2017 to June 1, 2018; or (4) of EOS Tokens that were verified by EOS block producers located within the United States based on publicly available information at [https://eosauthority.com/producers\\_rank](https://eosauthority.com/producers_rank) or other comparable websites.

Also excluded from the Class are any persons and entities who exclude themselves by submitting a request for exclusion that is accepted by the Court.

If you are a Class Member and you wish to be eligible to participate in the distribution of proceeds from the Settlement, you are required to submit the Proof of Claim that is being distributed with this Notice and the required supporting documentation as set forth therein postmarked or submitted online on or before August 30, 2023.

If you are still not sure whether you are included, you can ask for free help. You can contact the Claims Administrator toll-free at (855) 535-1874, contact Lead Counsel, or you can fill out and return the Proof of Claim form enclosed with this Notice package, to see if you qualify.

### **THE SETTLEMENT BENEFITS – WHAT YOU GET**

#### **6. What does the Settlement provide?**

The Settlement provides that, in exchange for the release of the Class’s Released Claims (defined below) and dismissal of the Action, Defendants have agreed to pay (or cause to be paid) \$22 million in cash to be distributed after taxes, tax expenses, notice and claims administration expenses, and additional Court-approved fees and expenses, *pro rata*, to Class Members who send in a valid Proof of Claim form pursuant to the Court-approved Plan of Allocation. The Plan of Allocation is described in more detail at the end of this Notice.

#### **7. How much will my payment be?**

Your share of the Net Settlement Fund will depend on several things, including the total amount of claims represented by the valid Proof of Claim forms that Class Members send in, compared to the amount of your claim, all as calculated under the Plan of Allocation discussed below.

### **HOW YOU GET A PAYMENT – SUBMITTING A CLAIM FORM**

#### **8. How can I get a payment?**

To be eligible to receive a payment from the Settlement, you must submit a Proof of Claim form. A Proof of Claim form is enclosed with this Notice or it may be downloaded at [www.blockone-settlement.com](http://www.blockone-settlement.com). Read the instructions carefully, fill out the Proof of Claim, include all the documents the form asks for, sign it, and **mail or submit it online so that it is postmarked or received no later than August 30, 2023**. The Proof of Claim form may be submitted online at [www.blockone-settlement.com](http://www.blockone-settlement.com).

#### **9. When would I get my payment?**

**The Court will hold a Settlement Hearing on September 19, 2023 at 2:00 p.m.**, to decide whether to approve the Settlement. If the Court approves the Settlement, there might be appeals. It is always uncertain whether appeals can be resolved, and if so, how long it would take to resolve them. It also takes time for all the Proofs of Claim to be processed. Please be patient. As of the date of this Notice, the Court has not expressed any view, preliminary or otherwise, as to the fairness, reasonableness or adequacy of the Proposed Settlement. Those matters will be addressed by the Court at the Settlement Hearing.

#### **10. What am I giving up to get a payment or to stay in the Class?**

Unless you timely and validly exclude yourself, you are staying in the Class, and that means you and your “Related Parties” (as defined below) cannot sue, continue to sue, or be part of any other lawsuit against the “Released Defendant Parties” (as defined below) about the “Class’s Released Claims” (as defined below) in this case. It also means that all of the Court’s orders will apply to you and legally bind you. If you remain a Class Member, and if the Settlement is approved, you will give up all “Class’s Released Claims” (as defined below), including “Unknown Claims” (as defined below), against the “Released Persons” (as defined below):

released, and upon the Effective Date, and by operation of the Judgment shall have waived, compromised, settled, discharged, extinguished, and released, fully, finally, and forever, any and all Released Defendant Claims against the Lead Plaintiff, the Class and Lead Plaintiff's Counsel, known or unknown, suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, which now exist, or heretofore have existed, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct which is negligent, intentional, with or without malice, or a breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts, legal theories, or authorities. The Settling Parties acknowledge, and the Releasing Plaintiffs and Class Members and Released Defendant Parties shall be deemed by operation of the Judgment to have acknowledged, that the foregoing waiver was separately bargained for and is an essential element of the Settlement of which this release is a part.

### **EXCLUDING YOURSELF FROM THE CLASS**

If you do not want to participate in this Settlement, and you want to keep the right to potentially sue the Released Defendant Parties, on your own, about the claims being released by the Settlement, then you must take steps to remove yourself from the Settlement. This is called excluding yourself – or is sometimes referred to as “opting out.” If you are requesting exclusion because you want to bring your own lawsuit based on the matters alleged in this Action, you may want to consult an attorney and discuss whether any claim that you may wish to pursue would be barred, including by the applicable statutes of limitation or repose or on other grounds.

#### **11. How do I get out of the Class and the proposed Settlement?**

To exclude yourself from the Class and the Settlement, you must send a letter by First-Class Mail stating that you “request exclusion from the Class in the *Block.one Settlement*.” Your letter must identify your acquisitions of ERC-20 Tokens and/or EOS Tokens during the Class Period, including the dates, the number of ERC-20 Tokens and/or EOS Tokens purchased or acquired, and price paid for each such purchase or acquisition. In addition, you must include your name, address, telephone number, and your signature. Alternatively, you may email your application to the following address: [info@blockone-settlement.com](mailto:info@blockone-settlement.com).

You must submit your exclusion request so that it is **postmarked no later than August 29, 2023** to:

If you ask to be excluded, you will not get any payment from the Settlement, and you cannot object to the Settlement. You will not be legally bound by anything that happens in this lawsuit, and you may be able to sue the Released Defendants Parties about the Released Claims in the future.

#### **12. If I do not exclude myself, can I sue the Defendants and the other Released Persons for the same conduct later?**

No. Unless you exclude yourself, you give up any rights you may potentially have to sue the Defendants and the other Released Parties for any and all Class's Released Claims. If you have a pending lawsuit against the Released Parties, speak to your lawyer in that case immediately. You must exclude yourself from the Class in this Action to continue your own lawsuit. Remember, the exclusion deadline is August 29, 2023.

#### **13. If I exclude myself, can I get money from the proposed Settlement?**

No. If you exclude yourself, you should not send in a Proof of Claim to ask for any money. But you may have the right to potentially sue or be part of a different lawsuit against the Defendants and the other Released Parties.

### **THE LAWYERS REPRESENTING THE SETTLEMENT CLASS**

#### **14. Do I have a lawyer in this case?**

The Court has appointed Grant & Eisenhofer P.A. to represent the Class Members, including you. These lawyers are called Lead Counsel. If you want to be represented by your own lawyer, you may hire one at your own expense.

**QUESTIONS?**  
**PLEASE CALL (855) 535-1874**  
**OR VISIT [www.blockone-settlement.com](http://www.blockone-settlement.com)**

### 15. How will the lawyers be paid?

Lead Counsel will apply to the Court for an award of attorneys' fees not to exceed 25% of the Settlement Amount and for expenses, costs and charges the lawyers incurred in an amount not to exceed \$300,000 in connection with the Action, plus interest on such fees and expenses at the same rate as earned by the Settlement Fund. Such sums will be paid from the Settlement Fund if they are approved by the Court.

### OBJECTING TO THE SETTLEMENT

You can tell the Court that you do not agree with the Settlement or any part of it.

### 16. How do I tell the Court that I object to the proposed Settlement?

If you are a Class Member, you can comment on or object to the proposed Settlement, the proposed Plan of Allocation and/or Lead Counsel's fee and expense application. You can write to the Court setting out your comment or objection. The Court will consider your views. To comment or object, you must send a signed letter saying that you wish to comment on or object to the proposed Settlement in the *Block.one Settlement*. Include your name, address, telephone number, and your signature, identify the date(s), price(s), and number of ERC-20 Tokens and/or EOS Tokens you purchased, acquired, and sold during the Class Period, and state with specificity your comments or the reasons why you object to the proposed Settlement, Plan of Allocation and/or fee and expense application, including any legal support for such objection. Any objection must state whether it applies only to the objector or to the Class as a whole. You must also include copies of documents demonstrating your purchase(s), acquisition(s), and/or sale(s). Your comments or objection must be filed with the Court and mailed or delivered to each of the following addresses such that it is **received no later than August 29, 2023**:

### 17. What is the difference between objecting and excluding?

Objecting is simply telling the Court that you do not like something about the Settlement. You can object **only** if you stay in the Class.

Excluding yourself is telling the Court that you do not want to be paid and do not want to release any claims you think you may have against Defendants and their Related Parties. If you exclude yourself, you cannot object to the Settlement because it does not affect you.

### THE COURT'S SETTLEMENT HEARING

The Court will hold a hearing to decide whether to approve the proposed Settlement. You may attend and you may ask to speak, but you do not have to.

### 18. When and where will the Court decide whether to approve the proposed Settlement?

The Court will hold a hearing at **2:00 p.m., on September 19, 2023**, in the Courtroom of the Honorable Lewis A. Kaplan, at the United States District Court for the Southern District of New York, Daniel Patrick Moynihan U.S. Courthouse, 500 Pearl Street, New York, NY 10007 (the "Settlement Hearing"). At the hearing, the Court will consider whether the Settlement and the Plan of Allocation are fair, reasonable, and adequate. If there are objections, the Court will consider them, even if you do not ask to speak at the hearing. The Court will listen to people who have asked to speak at the hearing. The Court will also consider Lead Counsel's application for an award of attorneys' fees and expenses, and may also decide how much to pay to Lead Counsel and Lead Plaintiff. After the Settlement

OR VISIT [www.blockone-settlement.com](http://www.blockone-settlement.com)**

Hearing, the Court will decide whether to approve the Settlement and the Plan of Allocation. We do not know how long these decisions will take. You should be aware that the Court may change the date and time of the Settlement Hearing without another notice being sent to Class Members.

**19. Do I have to come to the hearing?**

No. Lead Counsel will answer questions the Court may have. But, you are welcome to come at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mailed or submitted your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary. Class Members do not need to appear at the hearing or take any other action to indicate their approval.

**20. May I speak at the hearing?**

If you object to the Settlement, the Plan of Allocation, and/or the fee and expense application, you may ask the Court for permission to speak at the Settlement Hearing. To do so, you must include with your objection (*see* question 16 above) a statement saying that it is your “Notice of Intention to Appear in the *Block.one Settlement*.” Persons who intend to object to the Settlement, the Plan of Allocation, and/or any attorneys’ fees and expenses to be awarded to Lead Counsel or Lead Plaintiff and desire to present evidence at the Settlement Hearing must include in their written objections the identity of any witnesses they may call to testify and exhibits they intend to introduce into evidence at the Settlement Hearing. Your notice of intention to appear must be **received no later than August 29, 2023**, and addressed to the Clerk of Court, Lead Counsel, and Defendants’ Counsel, at the addresses listed above in question 16.

You cannot speak at the hearing if you exclude yourself from the Class.

**IF YOU DO NOTHING**

**21. What happens if I do nothing?**

If you do nothing, you will not receive any money from this Settlement. In addition, unless you exclude yourself, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Defendants and their Related Parties about the Class’s Released Claims in this case.

**PLAN OF ALLOCATION OF NET SETTLEMENT FUND AMONG  
SETTLEMENT CLASS MEMBERS**

The Settlement Amount of \$22 million and any interest earned thereon is the “Settlement Fund.” The Settlement Fund, less all taxes, tax expenses, notice and claims administration expenses, and approved fees and expenses (the “Net Settlement Fund”) shall be distributed to Class Members who submit timely and valid Proof of Claim forms to the Claims Administrator (“Authorized Claimants”).

The objective of the Plan of Allocation is to equitably distribute the Net Settlement Fund among the Class Members.

The Claims Administrator shall determine each Class Member’s security of the Net Settlement Fund based upon the recognized loss formula (the “Recognized Loss”) described below. A Recognized Loss will be calculated for each EOS Token and/or ERC-20 Token (“Token”) acquired in a Domestic Transaction during the Class Period. The calculation of a Recognized Loss will depend upon several factors, including when the Tokens were acquired and in what amounts, whether they were ever sold, and, if so, when they were sold and for what amounts.

**QUESTIONS?  
PLEASE CALL (855) 535-1874  
OR VISIT [www.blockone-settlement.com](http://www.blockone-settlement.com)**

The Recognized Loss is not intended to estimate the amount a Class Member might have been able to recover after a trial, nor to estimate the amount that will be paid to the Class Member pursuant to the Settlement. The Recognized Loss is the basis upon which the Net Settlement Fund will be proportionately allocated to Class Members.

Your security of the Net Settlement Fund will depend on the number of valid Proofs of Claim and Release that Class Members send in and how many Tokens you acquired in Domestic Transactions during the Class Period, and whether you sold any of those Tokens and when you sold them.

The calculation of claims below is not an estimate of the amount you will receive. It is a formula for allocating the Net Settlement Fund among all Authorized Claimants. Furthermore, if any of the formulas set forth below yield an amount less than \$0.00, the claim per Token is \$0.00.

In the event a Class Member has more than one purchase (or acquisition) and sale of Tokens during the Class Period, all such purchases and sales shall be matched on a First-In, First-Out (“FIFO”) basis. Sales will be matched against purchases in chronological order, beginning with the earliest purchase made.

The total recognized loss is calculated for all matched purchases and sales for a given claimant. If the matched purchases and sales for a given claimant reflect an overall gain, the recognized claim for the specific Token involved in the claimant’s transactions will be \$0.00. The Claims Administrator shall allocate to each Authorized Claimant a *pro rata* share of the Net Settlement Fund based on his, her, or its recognized loss as compared to the total recognized losses of all Authorized Claimants. No distribution shall be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00.

### **CALCULATION OF RECOGNIZED LOSS AMOUNTS**

For each purchase or acquisition of Tokens that is properly documented, a “Recognized Loss Amount” will be calculated according to the formulas described below. Such “Recognized Loss Amounts” will be aggregated across all purchases to determine the “Recognized Claim” for each Class Member. To the extent a Class Member has a Recognized Loss Amount under the 1934 Act and the 1933 Act resulting from the same purchase or acquisition of Tokens, the Recognized Loss Amount will be the greater of the 1934 Act Recognized Loss Amount and the 1933 Act Recognized Loss Amount.

The calculations made pursuant to the Plan of Allocation are not intended to be estimates of, nor indicative of, the amounts that Class Members might have been able to recover after a trial. Nor are the calculations pursuant to the Plan of Allocation intended to be estimates of the amounts that will be paid to Authorized Claimants pursuant to the Settlement. The computations under the Plan of Allocation are only a method to weigh the claims of claimants against one another for the purposes of making *pro rata* allocations of the Net Settlement Fund.

### **1934 ACT CLAIMS RECOGNIZED LOSS AMOUNTS**

For the 1934 Act claims, the Plan of Allocation was developed based on the alleged inflation per Token shown in the chart below.<sup>3</sup> A 1934 Act Recognized Loss Amount is calculated for each Class Member who acquired Tokens during the period of June 26, 2017 through June 25, 2019 based on when that claimant purchased and sold its Tokens, or retained such Tokens beyond the end of this period.

Based on the formulas presented below, a “1934 Act Recognized Loss Amount” will be calculated for each acquisition of Tokens during the period of June 26, 2017 through June 25, 2019 that is listed on the Proof of Claim and Release form and for which adequate documentation is provided. If a Recognized Loss Amount calculates to a negative number or zero under the formula below, that Recognized Loss Amount will be zero.

<sup>3</sup> Under §21(D)(e)(1) of the 1934 Act, “in any private action arising under this Act in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market.”

For Tokens acquired on or between June 26, 2017 through and including June 25, 2019, the recognized loss per Token shall be as follows:

- a) If sold on or before June 7, 2018, the recognized loss per Token is \$0.00;
- b) If sold after June 7, 2018 but before June 26, 2019, the recognized loss per Token shall be the lesser of: (i) the alleged inflation per Token at the time of purchase minus the alleged inflation per Token at the time of sale; and (ii) the difference between the purchase price and the selling price.
- c) If retained at the close of trading on June 26, 2019, the recognized loss per Token shall be the least of: (i) the alleged inflation per Token at the time of purchase; (ii) the difference between the purchase price and the selling price (if sold); and (iii) the difference between the purchase price and \$2.66.

### **1933 ACT CLAIMS RECOGNIZED LOSS AMOUNTS**

1933 Act claims were asserted with respect to Tokens acquired in the Token Sale. The 1933 Act claims asserted in the action serve as the basis for the calculation of 1933 Act Recognized Loss Amounts.

Based on the formulas stated below, a “1933 Act Recognized Loss Amount” will be calculated for each acquisition of Tokens in the Token Sale. If a 1933 Act Recognized Loss Amount calculates to a negative number or zero under the formula below, that number will be zero.

A 1933 Act Recognized Loss Amount will be calculated as set forth below for each acquisition of a Token pursuant to the Token Sale.

For Tokens acquired in the Token Sale, and

- 1) sold on or before May 18, 2020, the recognized loss per Token is the purchase price per Token minus the sale price; or
- 2) retained at the close of trading on May 18, 2020, the recognized loss per Token is the purchase price per Token minus the closing price on May 18, 2020 of \$2.66 per Token.

A purchase, acquisition or sale of Tokens shall be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date. All purchase, acquisition and sale prices shall exclude any fees and commissions.

Distributions will be made to Authorized Claimants after all claims have been processed, after the Court has finally approved the Settlement, and after any appeals are resolved. If there is any balance remaining in the Net Settlement Fund after at least six (6) months from the initial date of distribution of the Net Settlement Fund (whether by reason of tax refunds, uncashed checks, or otherwise), the Claims Administrator shall, if feasible, reallocate such balance among Authorized Claimants in an equitable and economic fashion. These redistributions shall be repeated until the balance remaining in the Net Settlement Fund is no longer economically feasible to distribute to Class Members. Thereafter, any balance that still remains in the Net Settlement Fund shall be donated to any appropriate non-profit charitable organization(s) unaffiliated with any party or their counsel serving the public interest.

Please contact the Claims Administrator or Lead Counsel if you disagree with any determinations made by the Claims Administrator regarding your Proof of Claim and Release. If you are dissatisfied with the determinations, you may ask the Court, which retains jurisdiction over all Class Members and the claims administration process, to decide the issue by submitting a written request.

The Court has retained jurisdiction to allow, disallow, or adjust the claim of any Class Member on equitable grounds.

Payment pursuant to the Plan of Allocation set forth above shall be conclusive against all Authorized Claimants. No Person shall have any claim against Lead Plaintiff, Lead Counsel, any Claims Administrator, any other Person designated by Lead Plaintiff's Counsel, or any of the Released Persons based on the distributions made substantially in accordance with the Stipulation and the Settlement contained therein, the Plan of Allocation, or further orders of the Court. All Class Members who fail to complete and submit a valid and timely Proof of Claim and Release shall be barred from participating in distributions from the Net Settlement Fund (unless otherwise ordered by the Court), but otherwise shall be bound by all of the terms of the Settlement, including the terms of any judgment entered and the releases given.

A "claim" will be calculated as follows:

The date of purchase or sale is the "contract" or "trade" date as distinguished from the "settlement" date.

For Class Members who made multiple purchases, acquisitions, or sales during the Class Period, the First-In, First-Out ("FIFO") method will be applied to such holdings, purchases, acquisitions, and sales for purposes of calculating a claim. Under the FIFO method, sales of ERC-20 Tokens during the Class Period will be matched, in chronological order, against ERC-20 Tokens acquired during the Class Period, and sales of EOS Tokens during the Class Period will be matched, in chronological order, against EOS Tokens acquired during the Class Period.

A Class Member will be eligible to receive a distribution from the Net Settlement Fund only if a Class Member had a net overall loss, after all profits from transactions in all ERC-20 Tokens or EOS Tokens described above during the Class Period are subtracted from all losses. No distributions will be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00.

A purchase, acquisition or sale of ERC-20 Tokens or EOS Tokens shall be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement" or "payment" date. All purchase, acquisition and sale prices shall exclude any fees and commissions.

Distributions will be made to Authorized Claimants after all claims have been processed, after the Court has finally approved the Settlement, and after any appeals are resolved. If there is any balance remaining in the Net Settlement Fund after at least six (6) months from the initial date of distribution of the Net Settlement Fund (whether by reason of tax refunds, uncashed checks, or otherwise), the Claims Administrator shall, if feasible, reallocate such balance among Authorized Claimants in an equitable and economic fashion. These redistributions shall be repeated until the balance remaining in the Net Settlement Fund is no longer economically feasible to distribute to Class Members. Thereafter, any balance that still remains in the Net Settlement Fund shall be donated to any appropriate non-sectarian, non-profit charitable organization(s) serving the public interest.

Please contact the Claims Administrator or Lead Counsel if you disagree with any determinations made by the Claims Administrator regarding your Proof of Claim. If you are dissatisfied with the determinations, you may ask the Court, which retains jurisdiction over all Class Members and the claims administration process, to decide the issue by submitting a written request.

The Court has reserved jurisdiction to allow, disallow, or adjust the claim of any Class Member on equitable grounds.

Payment pursuant to the Plan of Allocation set forth above shall be conclusive against all Authorized Claimants. The Released Defendant Parties shall have no liability, obligation, or responsibility whatsoever with respect to: (i) any act, omission, or determination by the Escrow Agent, Lead Counsel, Lead Plaintiff, or the Claims Administrator, or any of their respective designees or agents, in connection with the administration of the Settlement or otherwise; (ii) the management, investment, or distribution of the Settlement Fund; (iii) the Plan of Allocation; (iv) the determination, administration, or calculation of claims to be paid from the Settlement Fund; or (v) the payment or withholding of Taxes or Tax Expenses, or any expenses or losses incurred in connection therewith. No Person shall have any claim against Lead Plaintiff, Lead Counsel, the Claims Administrator, or other Person designated by Lead Counsel, Defendants, or Defendants' Counsel based on distributions made substantially in accordance with the Stipulation and the Settlement contained therein, the Plan of Allocation, or further orders of the Court. **SPECIAL NOTICE TO EXCHANGES OR OTHER TOKEN SELLERS AND OTHER NOMINEES**

If you acquired ERC-20 Tokens or EOS Tokens in a Domestic Transaction during the Class Period for the beneficial interest of an individual or organization other than yourself, the Court has directed that, WITHIN TEN (10) DAYS OF YOUR RECEIPT OF THIS NOTICE, you either (a) provide to the Claims Administrator the name and last known address of each person or organization for whom or which you purchased or acquired such tokens during such time period, or (b) request additional copies of this Notice and the Proof of Claim form, which will be provided to you free of charge, and within ten (10) days mail the Notice and Proof of Claim form directly to the beneficial owners of the tokens referred to herein. If you choose to follow alternative procedure (b), upon such mailing, you must send a statement to the Claims Administrator confirming that the mailing was made as directed and retain the names and addresses for any future mailings to Class Members.
